Introducing an advertising support package that offers exciting new-age marketing opportunities for your local business. Now you can participate on the popular Chamber web site through ad placements and click-thru responses. All at a very low cost!

Your ad will be located on the right column of the web page as a square box (see site home page for example). Your business name and/or logo or brief statement will appear. The Ad Box will have a direct link to your business web site.

Here are a couple of options to consider...
